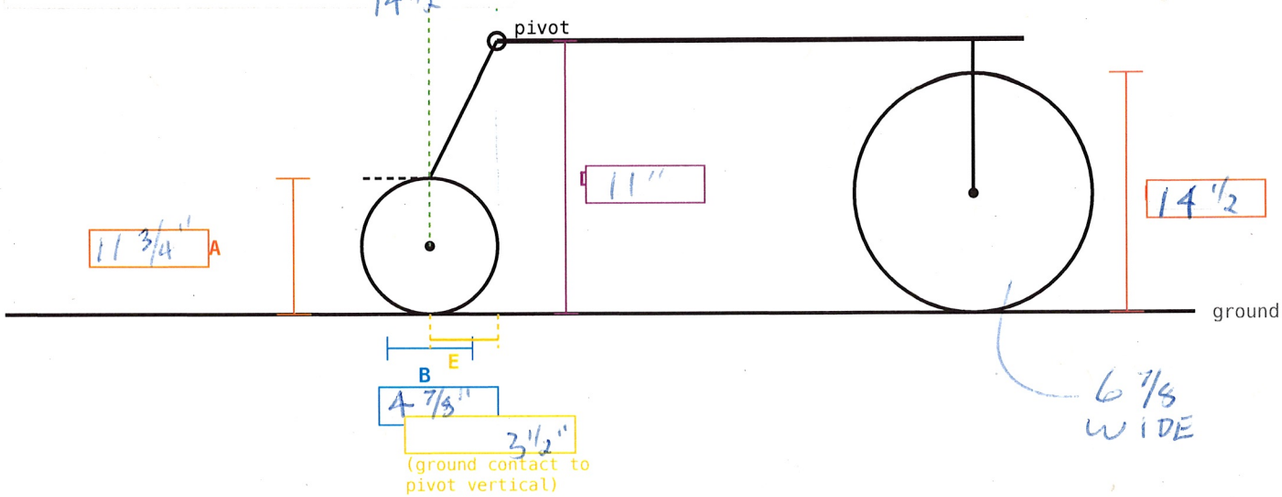
MOXL Measurement Sheet 1/4 — Caster (Front Wheel) Side View

Print at 100%. Write measurements in the boxes.

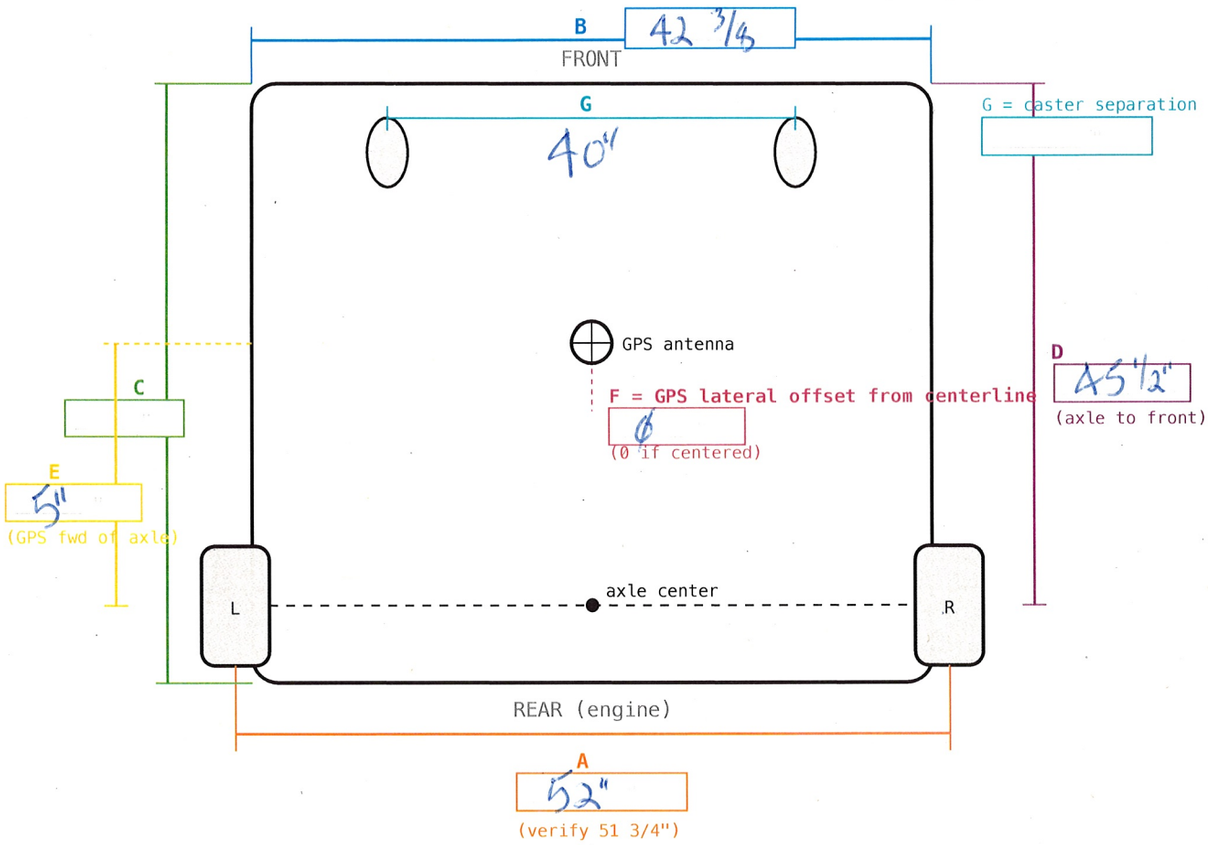
Measurements needed:

A = Caster wheel diameter 11 3/4"
B = Caster wheel width 4 7/8"
C = Swivel offset (pivot to wheel center, horiz) 3 5/8"
D = Pivot height above ground 11"
E = Trail (contact patch to pivot vertical) 3 1/2"
F = Drive wheel diameter (verify ~~15"~~ 14 1/2"



MOXL Measurement Sheet 2/4 — Chassis Top View

Print at 100%. Write measurements in the boxes. FRONT = top of page.

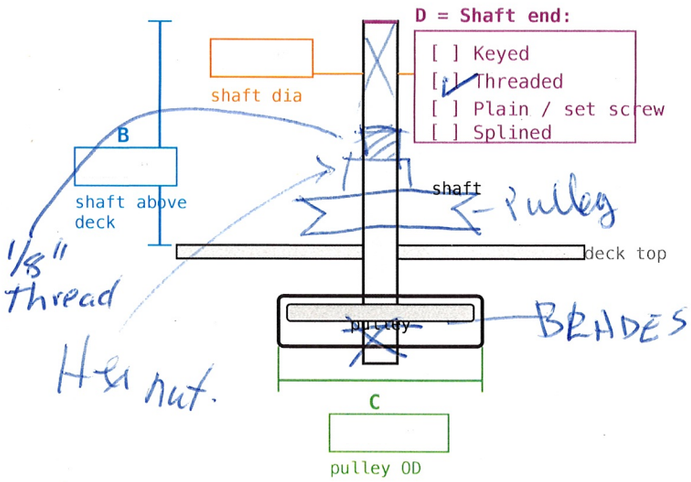


MOXL Measurement Sheet 3/4 — Belt Drive / Alternator

Print at 100%. Sketch belt routing in the box. Measure all pulleys.

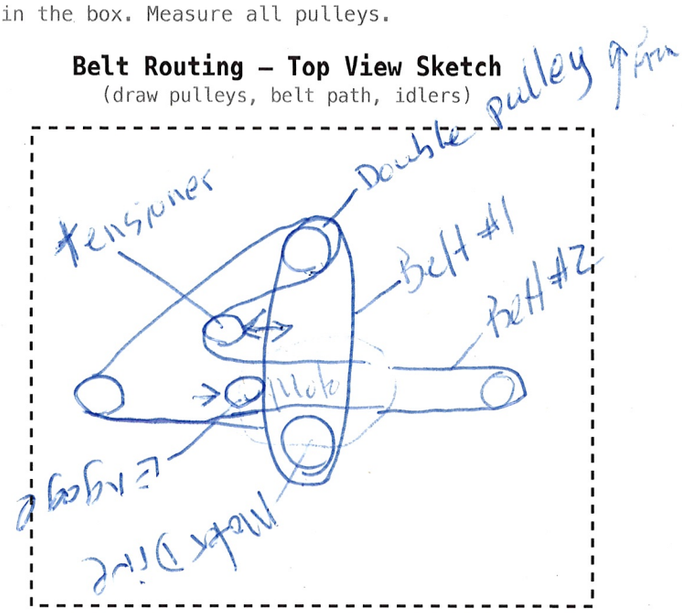
Blade Pulley — Side View

(for alternator coupler design)



Belt Routing — Top View Sketch

(draw pulleys, belt path, idlers)



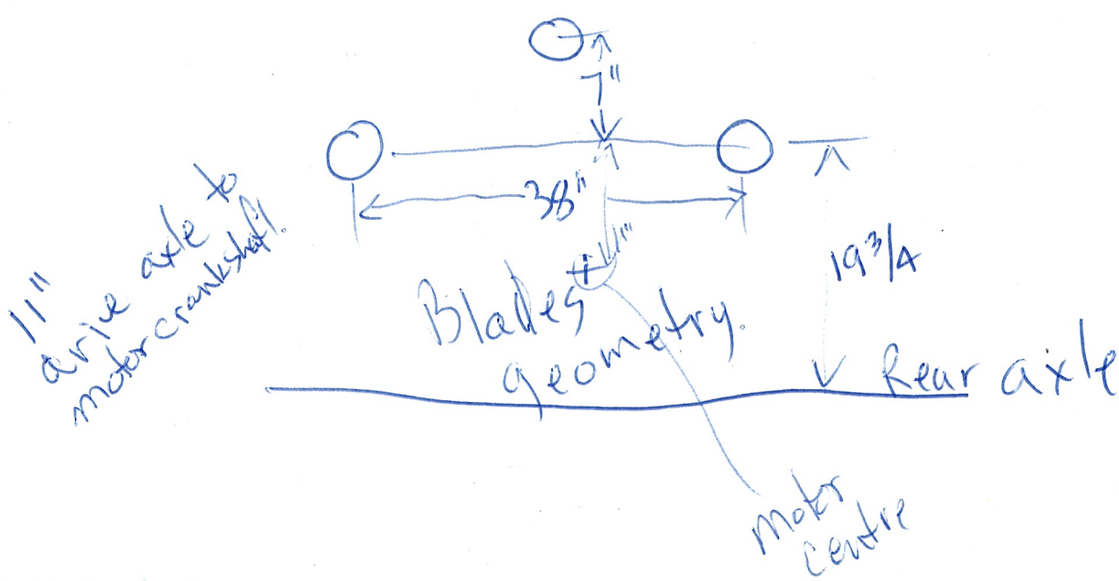
Pulley Diameters:

Engine output pulley:	5.5"
Blade deck input pulley:	5.5
Blade spindle pulley:	5.5
~~Idler~~/tensioner pulley:	3.5"
Belt # (stamped on belt):	

Belt #2

Engage pulley 3.5

deck width 60"



MOXL Measurement Sheet 4/4 — Motors, Engine, Photos

Print at 100%. Fill in text, check boxes, note model numbers.

Drive Motors (wheelchair)

Motor label / model #:

Wires coming off each motor:

- [ ] 2 wires only (power)
- [✓] 2 power + 2 brake
- [ ] 2 power + 2 brake + extra connector
- [ ] Other: _____

If extra connector: count pins, note colors

Engine

Engine model / spec plate:

Rated RPM:

Choke type:

- [✓] Manual cable/lever
- [ ] Auto choke (thermostat)
- [ ] Primer bulb (no choke plate)

Electric start: [x] Yes ✓

Alternator Mounting Space

Clearance above blade pulley: ✓

Horizontal space available: ✓

Blade pulley rotation (looking down):

[✓] Clockwise [ ] Counter-clockwise

Number of blade spindles visible: 2 of 3

Denso Alternator

Model / part #:

Shaft diameter:

Shaft end: [ ] Keyed [ ] Nut [ ] Splined

Rated amps:

Photo Checklist

- [ ] Engine spec plate / model label
- [ ] Engine output pulley (with tape measure)
- [ ] Blade deck input pulley (with tape measure)
- [ ] Top of blade pulley shaft (clearance above deck)
- [ ] Belt routing overview (full path)
- [ ] Caster wheel side view (with tape measure)
- [ ] Wheelchair motor label + connectors
- [ ] Choke mechanism close-up
- [ ] Space above deck for alternator
- [ ] Denso alternator shaft end

drive sprockets
motor 22 teeth
wheel 32 teeth
